

Assistant Superintendent

Golf Saint-Raphaël is seeking a proactive and dedicated **Full-time Assistant Superintendent** to join our turf management team. As a newly renovated 36-hole semi-private facility, we pride ourselves on providing a premium experience for our members and guests. This is a hands-on role perfect for a turf professional seeking a mix of technical work and team leadership.

Main responsibilities:

- Oversee daily course preparation and maintenance to ensure the highest standards of playability.
- Assist in the planning and execution of seasonal projects.
- Participate in the management, training, and coordination of the turf maintenance personnel
- Maintain, service, and repair the course irrigation system to ensure optimal turf health.
- Maintain an organized, clean, and safe work environment.

Competencies:

- Minimum of 2-5 years in golf course maintenance.
- Possession of a **CD11 pesticide application license** (or a commitment to obtain after hire).
- Experience with irrigation systems is an asset; specific knowledge of the **Rain Bird Cirrus Pro** system is a significant asset (training will be provided for the right candidate).
- Strong interpersonal and communication skills to effectively lead a team.
- Ability to work independently and exercise sound judgment in a fast-paced environment.
- Must hold a valid driver's license.

Compensation:

- Competitive salary based on experience and qualifications.
- Comprehensive Group Insurance program and additional benefits.
- Phone allowance
- Support for professional development and continuing education.
- Golf playing privileges in accordance with club directives.

How to Apply Please submit your resume/CV to **Scott Coulter, Superintendent**, at scott@golfstraphael.ca.
