

Golf Irrigation Service Technician

About Us

Join the Turf Care family and discover an engaging work culture, with an award-winning organization where you can learn and grow to your full potential.

Turf Care's foundation and success has been built on strong relationships and the talent, knowledge, and quality of our team. We are committed to the support and growth of our employees and fostering a culture that offers challenging, stimulating and rewarding opportunities.

For 50 years, Turf Care Products Canada, a privately owned company, has been a leading distributor of best-in-class equipment, irrigation products, and service to golf courses, municipalities, and landscapers. Turf Care is proud to have been named one of **Canada's Best Managed Companies for four consecutive years, achieving Gold Standard recognition**. Learn more about us at www.turfcare.ca.

About the Opportunity

Join our expanding and dynamic team at Turf Care, a leading provider of golf course maintenance solutions. We specialize in ensuring that golf courses have the ability to maintain their properties to the highest level through innovative irrigation systems. As a key player in the industry, we are committed to excellence and delivering top-notch service to our clients.

We are currently seeking a skilled and dedicated Golf Irrigation Service Technician, based out of our Vaudreuil-Dorion location located at 2499 Rang Saint Antoine, just south of Hwy 20, to join our team. The ideal candidate will be responsible for the installation, maintenance, and repair of irrigation systems on golf courses. This role offers the opportunity to work outdoors in a fast-paced environment, collaborating with a team of professionals who share a passion for maintaining the beauty and functionality of golf courses.

Benefits

- A competitive compensation package commensurate with experience and performance.
- Comprehensive benefits package, including health and dental insurance, a Health Care Spending Account, RSP matching, and a Health and Wellness Reimbursement program.
- Ongoing training and professional development opportunities to enhance your skills and advance your career.
- A supportive and collaborative work environment where your contributions are valued and recognized.
- Company-provided vehicle to support your role.

Responsibilities include:

- Install, maintain, and repair irrigation systems on golf courses according to manufacturer specifications and industry best practices.
- Conduct routine inspections of irrigation equipment to identify and address any issues or potential problems.
- Troubleshoot electrical and hydraulic systems to ensure proper functioning of irrigation components.
- Perform seasonal maintenance tasks, including winterization and spring start-up of irrigation systems.

- Collaborate with golf course superintendents and groundskeepers to develop irrigation schedules that optimize water usage and promote turf health.
- Keep accurate records of maintenance activities, equipment inventory, and repair history.
- This role involves travel to customer sites throughout Quebec.

Qualifications:

- Previous experience in golf course maintenance or irrigation system installation and repair.
- Strong knowledge of electrical and hydraulic systems, including the ability to read schematics and troubleshoot issues.
- Excellent problem-solving skills and attention to detail.
- Ability to work independently and as part of a team in a fast-paced environment.
- Good communication skills and the ability to interact professionally with clients and colleagues.

How to Apply: If you are a motivated individual with a passion for golf course maintenance and irrigation systems, we want to hear from you! Please submit your resume and cover letter outlining your relevant experience and qualifications to HR@turfcare.ca. We look forward to welcoming you to our team at Turf Care.
